

Terra Perma Preparation Guide

The Terra Perma vacation center works in association with the Terra Perma Foundation, a non-profit organization whose main activities and goals are the protection of the forest park, education and support for the development of partnerships in Permaculture. On the property, discover the sheep zone, the sugar shack and Maple Garden, the food forest and the NourriSerre, tiny Eco-Constructions, food production spaces, beautiful nature trails, a private lake and more. In the effort to educate its residents and visitors alike, a variety of workshops on life in the forest and Permaculture are offered. For more information, please check out our events calendar.

Vacation center rules and park regulations:

- Do not feed the wildlife
- Do not make fires outside of designated fire areas
- Do not walk off trails
- Do not pick mushrooms and/or other flora
- Respect common spaces and leave areas cleaner than when you entered them
- Use the outhouses and make sure to urinate at least 50ft from water
- Quiet hours are enforced between 10pm and 7am
- Food waste and garbage must be disposed of in designated areas
- Pets are required to be on a leash at all times and owners must clean up after their pets. Any guest with a pet that creates a noise nuisance will be asked to remove the pet from the property
- Gathering and cutting wood is strictly prohibited. Firewood is for sale at each unit. Please do not bring your own wood to prevent the spread of diseases
- Food and toiletries must be stored in a secure location out of reach of animals
- **NO CANDLES PLEASE. Fire can catch easily on a spilt candle. Electric torches are much safer.**

Firewood

Firewood is available at your site on a self-serve system. Each vertical foot costs \$25, with price markers on the wood supports. You can leave cash in your room or have it added to your bill at check-out.

A single piece
of firewood
can **DESTROY**
millions of trees.

Moving firewood, even just a few kilometres away,
can spread invasive insects and diseases to our forests.

DON'T MOVE FIREWOOD

Buy it locally. Burn it on site. Never bring it back home.
